

Dear Friends:

Shooting Starz Gymnastics is the fastest growing gymnastics program in the Wyoming Valley. In celebration of Veteran's Day, the Shooting Starz Gymnastics Team will be hosting the fourth annual Warrior Invitational Meet at the Kingston Armory on November 17th-19th, 2017. The competition field continues to grow each and every year, with more and more teams and gymnasts coming to support our past and present Warriors. This year we are expecting over 400 gymnasts and their families to be coming to the Wyoming Valley for the weekend to attend the competition. Teams continue to attend the Warrior invitational each year to help us honor and support a local soldier, as a portion of the meet's proceeds will be donated to a selected local soldier in need.

In order to keep our costs to a minimum, while conducting a top-level meet, we are asking for help. The Shooting Starz gymnastics team is reaching out to our local business community to place ads in a program that will be distributed at the Warrior Invitational. Ads will cost from \$50.00 to \$200.00. The ad revenue will help pay for all of the hidden costs associated with our meet.

The Shooting Starz Gymnastics team is committed to keeping our program affordable, while still allowing the girls to experience gymnastics at such high levels. Our meet allows us to raise money to buy new equipment for the safety of the gymnasts. Your business is very much appreciated.
